DEDICATION

To MR. MICHAEL
CALIGUIRI

FOR his patience, understanding, and concern for his students, we, the class of 1976, dedicate this yearbook to him.

To MRS. SUSAN
KOHNOWICH

FOR the endless hours and the boundless energy she has contributed to the production of this book, we, the class of 1976, dedicate this yearbook to her.

SUPERINTENDENT'S MESSAGE

LOOKING BACK, the motto adopted by the Graduating Class of 1976 is very meaningful.

A wise man once said, "the present and the future contain nothing more than the past." You young adults, who are facing a new dawn in your life, should use as a guiding light, the lamp of past experiences.

As you go through life, take time to "look back". You will be surprised how your plans, ambitions, and dreams will be illuminated.

Good Luck one and all with your future.

RICHARD F. ZANI

ROBERT R. ZIMMERMAN

PRINCIPAL'S MESSAGE

Celebration of our nation's bicentennial is a once-in-a-lifetime event. It marks the 200th birthday of an ideal and a way of life. I believe our bicentennial offers a special opportunity for involvement to all people. I especially ask all members of the graduating class at West Rutland High School to take time during the next few years to become more aware of our nation's problems, assets, "miracles", and mysteries. All this can be accomplished through more involvement--your involvement is opportunities to meet new people, learn new ideas, and delve into areas where you have never been before.

You should take a look at the progress and problems of the past two hundred years, but more important you must take a solid look at the future. The time has come to break down the barriers of misunderstanding and to live the standards of dreams and aspirations that are developed in the mind.

PRESIDENT'S MESSAGE

"No goal is to high if we climb with care and confidence."

When we leave it doesn't matter where we go or what we do as long as we have a goal to strive for. This should be chosen with much care and confidence in each of our own abilities to obtain it.
